

Sport Godalming has limited funds to assist those with outstanding ability to develop their full sporting potential. The scheme is open to residents of Godalming, including Bramley, Busbridge, Elstead, Farncombe, Hambledon, Hascombe, Milford, Peper Harow, Witley and Wonersh or members of sports clubs in the area.

We want to be flexible in our approach to help those who will obtain the most benefit and are held back for financial reasons as well as those who have already achieved some recognised status in their sport. Clubs will be expected to support the application of any individual members. We expect that most requests will come for specialised training (courses and travel costs), for sporting equipment, or other such individual needs.
